LB 465

SPEAKER MARVEL: The question has been called for. Shall debate cease? Do I see five hands? Okay, all those in favor of ceasing debate vote aye, opposed no. The motion is ceasing debate. Have you all voted? The vote is ceasing debate. Are there legislators underneath the balcony who would like to vote to cease debate? Okay, record.

CLERK: 25 ayes, 8 nays to cease debate, Mr. President.

SPEAKER MARVEL: The Chair recognizes Senator Lamb on your motion on LB 465.

SENATOR LAMB: Mr. President and members of the Legislature, I believe this bill is a, what is it...camel's nose under the tent. Right now it says you will not be able to vote on the day that you register...on this election day when you register you will not be able to vote. We will be coming back in here with a bill not too far hence where it will be just a minor little change. The minor little change will be we will vote on the same day that we register at the polling place. I do not believe that is...that is not going to bring on good government. I do not believe this is the way it should be. I think there is too much chance for intimidation. I think that this would lead to excesses that we would be sorry that we brought upon ourselves. So I urge that this bill be indefinitely postponed.

SPEAKER MARVEL: The motion is the indefinite postponement of 465. All those in favor of killing the bill vote aye, opposed no. The motion is to indefinitely postpone LB 465. Have you all voted? Senator Lamb, what is your pleasure? Have you all voted?

SENATOR LAMB: Could I have a record vote, Mr. President?

SPEAKER MARVEL: You want a record vote? Okay, record vote has been requested. You want to record the vote.

CLERK: (Read record vote as found on pages 495 and 496 of the Legislative Journal.) 18 ayes, 22 nays, 9 not voting, Mr. President.

SPEAKER MARVEL: The motion lost.

CLERK: I have nothing further on the bill, Mr. President. I have nothing further on the bill.

SPEAKER MARVEL: Okay, Senator Burrows, do you want to move the bill?
